organization (a national organization or Indiana chapter of a national organization that exists solely to serve practitioners of a particular occupation) that is approved by the executive director of the professional licensing agency (agency). Requires the jobs creation committee to evaluate an application for the approval of a supporting organization, hold a public hearing, and make a recommendation to the executive director of the agency. Provides that the executive director can approve no more than five supporting organizations. Authorizes the agency to remove an individual from the electronic registry under certain circumstances. Provides that not being state registered does not prevent an individual from practicing the same occupation as individuals who are state registered. Requires the executive director to report to the legislative council on the pilot project not later than November 1, 2017. Provides for the pilot project to expire April 1, 2018.

(c) The executive director may not accredit a supporting organization for purposes of this chapter if any action performed within the scope of practice of individuals who have earned a certification or credential from the supporting organization is the same as or substantially similar to an action within the scope of practice of a profession or occupation that can be undertaken only by an individual who holds a license or certificate issued under IC 25.

(d) If the executive director decides against accrediting a supporting organization, the supporting organization may appeal the executive director's determination to the committee. The committee, by an affirmative vote of two-thirds (2/3) of the members, may reverse a determination made by the executive director under subsection (b). An action of the committee reversing a determination of the executive director under this subsection is

a final agency action for purposes of IC 4-21.5.

(c) An individual who does not meet a requirement set forth in subsection (a)(2)(B), (a)(2)(D), or (a)(2)(E) may submit a request to the executive director to waive the requirement. After considering the waiver request, the executive director may waive the requirement for an individual if the executive director determines that the individual, in practicing the individual's occupation, would not present an unreasonable risk of harm to the health, safety, or welfare of the public.

Sec. 14. (a) An individual's registration under this chapter is valid for not more than two (2) years and may be renewed for successive periods that end on June 30 of odd-numbered years. (A) an accredited supporting organization's requirements for the certification or credentialing of individuals; or

(B) the scope of practice of the occupation to which the accredited supporting organization relates.

(2) Cancel a supporting organization's accreditation for any reason for which a supporting organization seeking accreditation may be denied accreditation under this chapter.

(3) Remove an individual from the registry if:

(A) the individual does not meet the eligibility requirements set forth in section 13(a) of this chapter;

(B) the supporting organization that awarded the certification or credential to the individual has lost its accreditation; or

(C) the office of the attorney general submits a written request to the agency to remove the individual from the registry because the individual poses a risk to the health, safety, or welfare of the public.

Sec. 17. (a) An individual who is placed on the registry may use
