1.1 A bill for an act  
 1.2 relating to human services; modifying screening of child maltreatment reports;  
 1.3 amending Minnesota Statutes 2014, section 626.556, subdivisions 1, 2, 3, 6a,  
 1.4 7, 10, 10e, 10j, 10m, 11c, by adding subdivisions.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. Minnesota Statutes 2014, section 626.556, subdivision 1, is amended to read:

1.7 Subdivision 1. **Public policy.** The legislature hereby declares that the public policy  
 1.8 of this state is to protect children whose health or welfare may be jeopardized through  
 1.9 physical abuse, neglect, or sexual abuse. While it is recognized that most parents want  
 1.10 to keep their children safe, sometimes circumstances or conditions interfere with their  
 1.11 ability to do so. When this occurs, ~~families are best served by interventions that engage~~  
 1.12 ~~their protective capacities and address immediate safety concerns and ongoing risks of~~  
 1.13 ~~child maltreatment~~ the health and safety of the children must be of paramount concern.  
 1.14 Intervention and prevention efforts must address immediate concerns for child safety  
 1.15 and the ongoing risk of abuse or neglect and should engage the protective capacities of  
 1.16 families. In furtherance of this public policy, it is the intent of the legislature under this  
 1.17 section to protect children and promote child safety, strengthen the family and make  
 1.18 the home, school, and community safe for children by promoting responsible child care  
 1.19 in all settings; and to provide, when necessary, a safe temporary or permanent home  
 1.20 environment for physically or sexually abused or neglected children.

1.21 In addition, it is the policy of this state to require the reporting of neglect, physical  
 1.22 or sexual abuse of children in the home, school, and community settings; to provide for  
 1.23 the voluntary reporting of abuse or neglect of children; to require a family assessment,  
 1.24 when appropriate, ~~as the preferred response to reports not alleging substantial child~~

2.1 ~~endangerment~~; to require an investigation when the report alleges substantial child  
2.2 endangerment; and to provide protective, family support, and family preservation services  
2.3 when needed in appropriate cases.

2.4 Sec. 2. Minnesota Statutes 2014, section 626.556, subdivision 2, is amended to read:

2.5 Subd. 2. **Definitions.** As used in this section, the following terms have the meanings  
2.6 given them unless the specific content indicates otherwise:

2.7 (a) "Family assessment" means a comprehensive assessment of child safety, risk  
2.8 of subsequent child maltreatment, and family strengths and needs that is applied to a  
2.9 child maltreatment report that does not allege substantial child endangerment. Family  
2.10 assessment does not include a determination as to whether child maltreatment occurred  
2.11 but does determine the need for services to address the safety of family members and the  
2.12 risk of subsequent maltreatment.

2.13 (b) "Investigation" means fact gathering related to the current safety of a child  
2.14 and the risk of subsequent maltreatment that determines whether child maltreatment  
2.15 occurred and whether child protective services are needed. An investigation must be used  
2.16 when reports involve substantial child endangerment, and for reports of maltreatment in  
2.17 facilities required to be licensed under chapter 245A or 245D; under sections 144.50 to  
2.18 144.58 and 241.021; in a school as defined in sections 120A.05, subdivisions 9, 11, and

2.32 (5) murder in the first, second, or third degree under section 609.185, 609.19, or  
2.33 609.195;

3.11 (d) "Sexual abuse" means the subjection of a child by a person responsible for the  
3.12 child's care, by a person who has a significant relationship to the child, as defined in  
3.13 section 609.341, or by a person in a position of authority, as defined in section 609.341,

3.20 threatened sexual abuse which includes the status of a parent or household member

3.22 243.166, subdivision 1b, paragraph (a) or (b), or required registration under section  
3.23 243.166, subdivision 1b, paragraph (a) or (b).

4.5 (3) failure to provide for necessary supervision or child care arrangements  
4.6 appropriate for a child after considering factors as the child's age, mental ability, physical

4.8 child's own basic needs or safety, or the basic needs or safety of another child in their care;

4.12 (5) nothing in this section shall be construed to mean that a child is neglected solely  
4.13 because the child's parent, guardian, or other person responsible for the child's care in  
4.14 good faith selects and depends upon spiritual means or prayer for treatment or care of  
4.15 disease or remedial care of the child in lieu of medical care; except that a parent, guardian,  
4.16 or caretaker, or a person mandated to report pursuant to subdivision 3, has a duty to report  
4.17 if a lack of medical care may cause serious danger to the child's health. This section does

6.31 birth record or recognition of parentage identifying a child who is subject to threatened  
6.32 injury under paragraph (n), the Department of Human Services shall send the data to the

7.1 data as a report under this section. The agency may use either a family assessment or  
7.2 investigation to determine whether the child is safe. All of the provisions of this section  
7.3 apply. If the child is determined to be safe, the agency shall consult with the county

7.5 of protection or services under section 260C.007, subdivision 6, clause (16), in order to  
7.6 deliver needed services. If the child is determined not to be safe, the agency and the county

7.11 welfare, and safety.

7.12 (q) "Accidental" means a sudden, not reasonably foreseeable, and unexpected  
7.13 occurrence or event which:

7.14 (1) is not likely to occur and could not have been prevented by exercise of due

7.17 facility and the employee or person providing services in the facility are in compliance  
7.18 with the laws and rules relevant to the occurrence or event.

7.19 (r) "Nonmaltreatment mistake" means:

7.20 (1) at the time of the incident, the individual was performing duties identified in the  
7.21 center's child care program plan required under Minnesota Rules, part 9503.0045;

7.22 (2) the individual has not been determined responsible for a similar incident that  
7.23 resulted in a finding of maltreatment for at least seven years;

7.24 (3) the individual has not been determined to have committed a similar  
7.25 nonmaltreatment mistake under this paragraph for at least four years;

7.26 (4) any injury to a child resulting from the incident, if treated, is treated only with  
7.27 remedies that are available over the counter, whether ordered by a medical professional or  
7.28 not; and

7.29 (5) except for the period when the incident occurred, the facility and the individual  
7.30 providing services were both in compliance with all licensing requirements relevant to the  
7.31 incident.

7.32 This definition only applies to child care centers licensed under Minnesota  
7.33 Rules, chapter 9503. If clauses (1) to (5) apply, rather than making a determination of  
7.34 substantiated maltreatment by the individual, the commissioner of human services shall  
7.35 determine that a nonmaltreatment mistake was made by the individual.

9.7 the alleged maltreatment to the commissioner of education. Section 13.03, subdivision 4,  
9.8 applies to data received by the commissioner of education from a licensing entity.

9.9 (d) ~~Any person mandated to report shall receive a summary of the disposition of~~  
9.10 ~~any report made by that reporter, including whether the case has been opened for child~~  
9.11 ~~protection or other services, or if a referral has been made to a community organization,~~  
9.12 ~~unless release would be detrimental to the best interests of the child. Any person who is~~  
9.13 ~~not mandated to report shall, upon request to the local welfare agency, receive a concise~~  
9.14 ~~summary of the disposition of any report made by that reporter, unless release would be~~  
9.15 ~~detrimental to the best interests of the child. Notification requirements under subdivision~~  
9.16 10 apply to reports received under this section, including reports that are not accepted

10.5 (b) The local welfare agency shall determine if the report is accepted for an  
10.6 assessment or investigation as soon as possible but in no event longer than 24 hours after  
10.7 the report is received. When determining if a report will be accepted for assessment or  
10.8 investigation, the agency receiving the report is allowed to consider, when relevant: (1)  
10.9 collateral information, which for purposes of this subdivision, means communication  
10.10 consisting of specific questions with an individual or individuals under subdivision 10,  
10.11 paragraph (i), clause (3), item (iii); and (2) previous reports that were not accepted for  
10.12 investigation or assessment.

10.13 ~~(b)~~ (c) Any report shall be of sufficient content to identify the child, any person  
10.14 believed to be responsible for the abuse or neglect of the child if the person is known, the  
10.15 nature and extent of the abuse or neglect and the name and address of the reporter. The  
10.16 local welfare agency or agency responsible for assessing or investigating the report shall  
10.17 accept a report made under subdivision 3 notwithstanding refusal by a reporter to provide  
10.18 the reporter's name or address as long as the report is otherwise sufficient under this  
10.19 paragraph. Written reports received by a police department or the county sheriff shall be  
10.20 forwarded immediately to the local welfare agency or the agency responsible for assessing  
10.21 or investigating the report. The police department or the county sheriff may keep copies of  
10.22 reports received by them. Copies of written reports received by a local welfare department  
10.23 or the agency responsible for assessing or investigating the report shall be forwarded  
10.24 immediately to the local police department or the county sheriff.

10.25 ~~(e)~~ (d) When requested, the agency responsible for assessing or investigating a  
10.26 report shall inform the reporter within ten days after the report was made, either orally or  
10.27 in writing, whether the report was accepted or not. If the responsible agency determines  
10.28 the report does not constitute a report under this section, the agency shall advise the  
10.29 reporter the report was screened out. ~~A screened-out report~~ Any person mandated to report  
10.30 shall receive a summary of the disposition of any report made by that reporter, including  
10.31 whether the case has been opened for child protection or other services, or if a referral has  
10.32 been made to a community organization, unless release would be detrimental to the best  
10.33 interests of the child. Any person who is not mandated to report shall, upon request to the  
10.34 local welfare agency, receive a concise summary of the disposition of any report made by  
10.35 that reporter, unless release would be detrimental to the best interests of the child.

11.1 (e) Reports not accepted for assessment or investigation must not be used for any  
 11.2 purpose other than making an offer of social services to the subjects of the screened-out  
 11.3 report be maintained in accordance with subdivision 11c, paragraph (a).

11.4 (d) (f) Notwithstanding paragraph (a), the commissioner of education must inform  
 11.5 the parent, guardian, or legal custodian of the child who is the subject of a report of  
 11.6 alleged maltreatment in a school facility within ten days of receiving the report, either  
 11.7 orally or in writing, whether the commissioner is assessing or investigating the report  
 11.8 of alleged maltreatment.

11.9 (e) (g) Regardless of whether a report is made under this subdivision, as soon as  
 11.10 practicable after a school receives information regarding an incident that may constitute  
 11.11 maltreatment of a child in a school facility, the school shall inform the parent, legal  
 11.12 guardian, or custodian of the child that an incident has occurred that may constitute  
 11.13 maltreatment of the child, when the incident occurred, and the nature of the conduct  
 11.14 that may constitute maltreatment.

11.15 (f) (h) A written copy of a report maintained by personnel of agencies, other than  
 11.16 welfare or law enforcement agencies, which are subject to chapter 13 shall be confidential.  
 11.17 An individual subject of the report may obtain access to the original report as provided  
 11.18 by subdivision 11.

11.19 Sec. 6. Minnesota Statutes 2014, section 626.556, is amended by adding a subdivision  
 11.20 to read:

11.21 Subd. 7a. **Mandatory guidance for screening reports.** (a) Child protection intake  
 11.22 workers, supervisors, and others involved with child protection screening shall follow the  
 11.23 guidance provided in the Minnesota Child Maltreatment Screening Guidelines when  
 11.24 screening reports, and, when notified by the commissioner of human services, shall  
 11.25 immediately implement updated procedures and protocols.

11.26 (b) Any modifications to the screening guidelines by the county agency must be  
 11.27 preapproved by the commissioner of human services and must not be less protective  
 11.28 of children than is mandated by statute.

11.29 Sec. 7. Minnesota Statutes 2014, section 626.556, subdivision 10, is amended to read:

11.30 Subd. 10. **Duties of local welfare agency and local law enforcement agency upon**  
 11.31 **receipt of report; mandatory notification between police or sheriff and agency.** (a)  
 11.32 The police department or the county sheriff shall immediately notify the local welfare  
 11.33 agency or agency responsible for assessing or investigating the report orally and in writing  
 11.34 when a report is received, including reports that are not accepted for investigation or

12.1 assessment. The local welfare agency, or agency responsible for assessing or investigating  
12.2 the report shall immediately notify the local police department or the county sheriff  
12.3 orally and in writing when a report is received, including reports that are not accepted  
12.4 for investigation or assessment. The county sheriff and the head of every local welfare  
12.5 agency, agency responsible for assessing or investigating reports, and police department  
12.6 shall each designate a person within their agency, department, or office who is responsible  
12.7 for ensuring that the notification duties of this paragraph are carried out.

12.8 (b) Upon receipt of a report, the local welfare agency shall determine whether to  
12.9 conduct a family assessment or an investigation as appropriate to prevent or provide a  
12.10 remedy for child maltreatment. The local welfare agency:

12.11 (1) shall conduct an investigation on reports involving substantial child  
12.12 endangerment;

12.13 (2) shall begin an immediate investigation if, at any time when it is using a family  
12.14 assessment response, it determines that there is reason to believe that substantial child  
12.15 endangerment or a serious threat to the child's safety exists;

12.16 (3) may conduct a family assessment for reports that do not allege substantial child  
12.17 endangerment. In determining that a family assessment is appropriate, the local welfare  
12.18 agency may consider issues of child safety, parental cooperation, and the need for an  
12.19 immediate response; and

12.20 (4) may conduct a family assessment on a report that was initially screened and  
12.21 assigned for an investigation. In determining that a complete investigation is not required,  
12.22 the local welfare agency must document the reason for terminating the investigation and  
12.23 notify the local law enforcement agency if the local law enforcement agency is conducting  
12.24 a joint investigation.

12.25 If the report alleges neglect, physical abuse, or sexual abuse by a parent, guardian,  
12.26 or individual functioning within the family unit as a person responsible for the child's  
12.27 care, or sexual abuse by a person with a significant relationship to the child when that  
12.28 person resides in the child's household or by a sibling, the local welfare agency shall  
12.29 immediately conduct a family assessment or investigation as identified in clauses (1) to  
12.30 (4). In conducting a family assessment or investigation, the local welfare agency shall  
12.31 gather information on the existence of substance abuse and domestic violence and offer  
12.32 services for purposes of preventing future child maltreatment, safeguarding and enhancing  
12.33 the welfare of the abused or neglected minor, and supporting and preserving family  
12.34 life whenever possible. If the report alleges a violation of a criminal statute involving  
12.35 sexual abuse, physical abuse, or neglect or endangerment, under section 609.378, the  
12.36 local law enforcement agency and local welfare agency shall coordinate the planning and

13.1 execution of their respective investigation and assessment efforts to avoid a duplication of  
13.2 fact-finding efforts and multiple interviews. Each agency shall prepare a separate report of  
13.3 the results of its investigation. In cases of alleged child maltreatment resulting in death,  
13.4 the local agency may rely on the fact-finding efforts of a law enforcement investigation  
13.5 to make a determination of whether or not maltreatment occurred. When necessary the  
13.6 local welfare agency shall seek authority to remove the child from the custody of a parent,  
13.7 guardian, or adult with whom the child is living. In performing any of these duties, the  
13.8 local welfare agency shall maintain appropriate records.

13.9 If the family assessment or investigation indicates there is a potential for abuse of  
13.10 alcohol or other drugs by the parent, guardian, or person responsible for the child's care,  
13.11 the local welfare agency shall conduct a chemical use assessment pursuant to Minnesota  
13.12 Rules, part 9530.6615.

13.13 ~~(b)~~ (c) When a local agency receives a report or otherwise has information indicating  
13.14 that a child who is a client, as defined in section 245.91, has been the subject of physical  
13.15 abuse, sexual abuse, or neglect at an agency, facility, or program as defined in section  
13.16 245.91, it shall, in addition to its other duties under this section, immediately inform the  
13.17 ombudsman established under sections 245.91 to 245.97. The commissioner of education  
13.18 shall inform the ombudsman established under sections 245.91 to 245.97 of reports  
13.19 regarding a child defined as a client in section 245.91 that maltreatment occurred at a  
13.20 school as defined in sections 120A.05, subdivisions 9, 11, and 13, and 124D.10.

13.21 ~~(e)~~ (d) Authority of the local welfare agency responsible for assessing or  
13.22 investigating the child abuse or neglect report, the agency responsible for assessing or  
13.23 investigating the report, and of the local law enforcement agency for investigating the  
13.24 alleged abuse or neglect includes, but is not limited to, authority to interview, without  
13.25 parental consent, the alleged victim and any other minors who currently reside with or  
13.26 who have resided with the alleged offender. The interview may take place at school or at  
13.27 any facility or other place where the alleged victim or other minors might be found or the  
13.28 child may be transported to, and the interview conducted at, a place appropriate for the  
13.29 interview of a child designated by the local welfare agency or law enforcement agency.  
13.30 The interview may take place outside the presence of the alleged offender or parent, legal  
13.31 custodian, guardian, or school official. For family assessments, it is the preferred practice  
13.32 to request a parent or guardian's permission to interview the child prior to conducting the  
13.33 child interview, unless doing so would compromise the safety assessment. Except as  
13.34 provided in this paragraph, the parent, legal custodian, or guardian shall be notified by  
13.35 the responsible local welfare or law enforcement agency no later than the conclusion of  
13.36 the investigation or assessment that this interview has occurred. Notwithstanding rule 32

14.1 of the Minnesota Rules of Procedure for Juvenile Courts, the juvenile court may, after  
14.2 hearing on an ex parte motion by the local welfare agency, order that, where reasonable  
14.3 cause exists, the agency withhold notification of this interview from the parent, legal  
14.4 custodian, or guardian. If the interview took place or is to take place on school property,  
14.5 the order shall specify that school officials may not disclose to the parent, legal custodian,  
14.6 or guardian the contents of the notification of intent to interview the child on school  
14.7 property, as provided under this paragraph, and any other related information regarding  
14.8 the interview that may be a part of the child's school record. A copy of the order shall be  
14.9 sent by the local welfare or law enforcement agency to the appropriate school official.

14.10 ~~(d)~~ (e) When the local welfare, local law enforcement agency, or the agency  
14.11 responsible for assessing or investigating a report of maltreatment determines that an  
14.12 interview should take place on school property, written notification of intent to interview  
14.13 the child on school property must be received by school officials prior to the interview.  
14.14 The notification shall include the name of the child to be interviewed, the purpose of the  
14.15 interview, and a reference to the statutory authority to conduct an interview on school  
14.16 property. For interviews conducted by the local welfare agency, the notification shall  
14.17 be signed by the chair of the local social services agency or the chair's designee. The  
14.18 notification shall be private data on individuals subject to the provisions of this paragraph.  
14.19 School officials may not disclose to the parent, legal custodian, or guardian the contents  
14.20 of the notification or any other related information regarding the interview until notified  
14.21 in writing by the local welfare or law enforcement agency that the investigation or  
14.22 assessment has been concluded, unless a school employee or agent is alleged to have  
14.23 maltreated the child. Until that time, the local welfare or law enforcement agency or the  
14.24 agency responsible for assessing or investigating a report of maltreatment shall be solely  
14.25 responsible for any disclosures regarding the nature of the assessment or investigation.

14.26 Except where the alleged offender is believed to be a school official or employee,  
14.27 the time and place, and manner of the interview on school premises shall be within the  
14.28 discretion of school officials, but the local welfare or law enforcement agency shall have  
14.29 the exclusive authority to determine who may attend the interview. The conditions as to  
14.30 time, place, and manner of the interview set by the school officials shall be reasonable and  
14.31 the interview shall be conducted not more than 24 hours after the receipt of the notification  
14.32 unless another time is considered necessary by agreement between the school officials and  
14.33 the local welfare or law enforcement agency. Where the school fails to comply with the  
14.34 provisions of this paragraph, the juvenile court may order the school to comply. Every  
14.35 effort must be made to reduce the disruption of the educational program of the child, other  
14.36 students, or school staff when an interview is conducted on school premises.

15.1           ~~(e)~~ (f) Where the alleged offender or a person responsible for the care of the alleged  
15.2 victim or other minor prevents access to the victim or other minor by the local welfare  
15.3 agency, the juvenile court may order the parents, legal custodian, or guardian to produce  
15.4 the alleged victim or other minor for questioning by the local welfare agency or the local  
15.5 law enforcement agency outside the presence of the alleged offender or any person  
15.6 responsible for the child's care at reasonable places and times as specified by court order.

15.7           ~~(f)~~ (g) Before making an order under paragraph ~~(e)~~ (f), the court shall issue an order  
15.8 to show cause, either upon its own motion or upon a verified petition, specifying the basis  
15.9 for the requested interviews and fixing the time and place of the hearing. The order to  
15.10 show cause shall be served personally and shall be heard in the same manner as provided  
15.11 in other cases in the juvenile court. The court shall consider the need for appointment of a  
15.12 guardian ad litem to protect the best interests of the child. If appointed, the guardian ad  
15.13 litem shall be present at the hearing on the order to show cause.

15.14           ~~(g)~~ (h) The commissioner of human services, the ombudsman for mental health and  
15.15 developmental disabilities, the local welfare agencies responsible for investigating reports,  
15.16 the commissioner of education, and the local law enforcement agencies have the right to  
15.17 enter facilities as defined in subdivision 2 and to inspect and copy the facility's records,  
15.18 including medical records, as part of the investigation. Notwithstanding the provisions of  
15.19 chapter 13, they also have the right to inform the facility under investigation that they are  
15.20 conducting an investigation, to disclose to the facility the names of the individuals under  
15.21 investigation for abusing or neglecting a child, and to provide the facility with a copy of  
15.22 the report and the investigative findings.

15.23           ~~(h)~~ (i) The local welfare agency responsible for conducting a family assessment or  
15.24 investigation shall collect available and relevant information to determine child safety,  
15.25 risk of subsequent child maltreatment, and family strengths and needs and share not public  
15.26 information with an Indian's tribal social services agency without violating any law of the  
15.27 state that may otherwise impose duties of confidentiality on the local welfare agency in  
15.28 order to implement the tribal state agreement. The local welfare agency or the agency  
15.29 responsible for investigating the report shall collect available and relevant information  
15.30 to ascertain whether maltreatment occurred and whether protective services are needed.  
15.31 Information collected includes, when relevant, information with regard to the person  
15.32 reporting the alleged maltreatment, including the nature of the reporter's relationship to the  
15.33 child and to the alleged offender, and the basis of the reporter's knowledge for the report;  
15.34 the child allegedly being maltreated; the alleged offender; the child's caretaker; and other  
15.35 collateral sources having relevant information related to the alleged maltreatment. The  
15.36 local welfare agency or the agency responsible for investigating the report may make a

16.1 determination of no maltreatment early in an investigation, and close the case and retain  
16.2 immunity, if the collected information shows no basis for a full investigation.

16.3 Information relevant to the assessment or investigation must be asked for, and  
16.4 may include:

16.5 (1) the child's sex and age, prior reports of maltreatment, information relating  
16.6 to developmental functioning, credibility of the child's statement, and whether the  
16.7 information provided under this clause is consistent with other information collected  
16.8 during the course of the assessment or investigation;

16.9 (2) the alleged offender's age, a record check for prior reports of maltreatment, and  
16.10 criminal charges and convictions. The local welfare agency or the agency responsible for  
16.11 assessing or investigating the report must provide the alleged offender with an opportunity  
16.12 to make a statement. The alleged offender may submit supporting documentation relevant  
16.13 to the assessment or investigation;

16.14 (3) collateral source information regarding the alleged maltreatment and care of the  
16.15 child. Collateral information includes, when relevant: (i) a medical examination of the  
16.16 child; (ii) prior medical records relating to the alleged maltreatment or the care of the  
16.17 child maintained by any facility, clinic, or health care professional and an interview with  
16.18 the treating professionals; and (iii) interviews with the child's caretakers, including the  
16.19 child's parent, guardian, foster parent, child care provider, teachers, counselors, family  
16.20 members, relatives, and other persons who may have knowledge regarding the alleged  
16.21 maltreatment and the care of the child; and

16.22 (4) information on the existence of domestic abuse and violence in the home of  
16.23 the child, and substance abuse.

16.24 Nothing in this paragraph precludes the local welfare agency, the local law  
16.25 enforcement agency, or the agency responsible for assessing or investigating the report  
16.26 from collecting other relevant information necessary to conduct the assessment or  
16.27 investigation. Notwithstanding sections 13.384 or 144.291 to 144.298, the local welfare  
16.28 agency has access to medical data and records for purposes of clause (3). Notwithstanding  
16.29 the data's classification in the possession of any other agency, data acquired by the  
16.30 local welfare agency or the agency responsible for assessing or investigating the report  
16.31 during the course of the assessment or investigation are private data on individuals and  
16.32 must be maintained in accordance with subdivision 11. Data of the commissioner of  
16.33 education collected or maintained during and for the purpose of an investigation of  
16.34 alleged maltreatment in a school are governed by this section, notwithstanding the data's  
16.35 classification as educational, licensing, or personnel data under chapter 13.

17.1 In conducting an assessment or investigation involving a school facility as defined  
17.2 in subdivision 2, paragraph (i), the commissioner of education shall collect investigative  
17.3 reports and data that are relevant to a report of maltreatment and are from local law  
17.4 enforcement and the school facility.

17.5 ~~(i)~~ (j) Upon receipt of a report, the local welfare agency shall conduct a face-to-face  
17.6 contact with the child reported to be maltreated and with the child's primary caregiver  
17.7 sufficient to complete a safety assessment and ensure the immediate safety of the child.  
17.8 The face-to-face contact with the child and primary caregiver shall occur immediately  
17.9 if substantial child endangerment is alleged and within five calendar days for all other  
17.10 reports. If the alleged offender was not already interviewed as the primary caregiver, the  
17.11 local welfare agency shall also conduct a face-to-face interview with the alleged offender  
17.12 in the early stages of the assessment or investigation. At the initial contact, the local child  
17.13 welfare agency or the agency responsible for assessing or investigating the report must  
17.14 inform the alleged offender of the complaints or allegations made against the individual in  
17.15 a manner consistent with laws protecting the rights of the person who made the report.  
17.16 The interview with the alleged offender may be postponed if it would jeopardize an active  
17.17 law enforcement investigation.

17.18 ~~(j)~~ (k) When conducting an investigation, the local welfare agency shall use a  
17.19 question and answer interviewing format with questioning as nondirective as possible to  
17.20 elicit spontaneous responses. For investigations only, the following interviewing methods  
17.21 and procedures must be used whenever possible when collecting information:

- 17.22 (1) audio recordings of all interviews with witnesses and collateral sources; and  
17.23 (2) in cases of alleged sexual abuse, audio-video recordings of each interview with  
17.24 the alleged victim and child witnesses.

17.25 ~~(k)~~ (l) In conducting an assessment or investigation involving a school facility  
17.26 as defined in subdivision 2, paragraph (i), the commissioner of education shall collect  
17.27 available and relevant information and use the procedures in paragraphs ~~(i)~~ (j), (k), and  
17.28 subdivision 3d, except that the requirement for face-to-face observation of the child  
17.29 and face-to-face interview of the alleged offender is to occur in the initial stages of the  
17.30 assessment or investigation provided that the commissioner may also base the assessment  
17.31 or investigation on investigative reports and data received from the school facility and  
17.32 local law enforcement, to the extent those investigations satisfy the requirements of  
17.33 paragraphs ~~(i)~~ (j), (k), and subdivision 3d.

17.34 Sec. 8. Minnesota Statutes 2014, section 626.556, subdivision 10e, is amended to read:

18.1 Subd. 10e. **Determinations.** (a) The local welfare agency shall conclude the family  
18.2 assessment or the investigation within 45 days of the receipt of a report. The conclusion of  
18.3 the assessment or investigation may be extended to permit the completion of a criminal  
18.4 investigation or the receipt of expert information requested within 45 days of the receipt  
18.5 of the report.

18.6 (b) After conducting a family assessment, the local welfare agency shall determine  
18.7 whether services are needed to address the safety of the child and other family members  
18.8 and the risk of subsequent maltreatment.

18.9 (c) After conducting an investigation, the local welfare agency shall make two  
18.10 determinations: first, whether maltreatment has occurred; and second, whether child  
18.11 protective services are needed. No determination of maltreatment shall be made when the  
18.12 alleged perpetrator is a child under the age of ten.

18.13 (d) If the commissioner of education conducts an assessment or investigation,  
18.14 the commissioner shall determine whether maltreatment occurred and what corrective  
18.15 or protective action was taken by the school facility. If a determination is made that  
18.16 maltreatment has occurred, the commissioner shall report to the employer, the school  
18.17 board, and any appropriate licensing entity the determination that maltreatment occurred  
18.18 and what corrective or protective action was taken by the school facility. In all other cases,  
18.19 the commissioner shall inform the school board or employer that a report was received,  
18.20 the subject of the report, the date of the initial report, the category of maltreatment alleged  
18.21 as defined in paragraph (f), the fact that maltreatment was not determined, and a summary  
18.22 of the specific reasons for the determination.

18.23 (e) When maltreatment is determined in an investigation involving a facility,  
18.24 the investigating agency shall also determine whether the facility or individual was  
18.25 responsible, or whether both the facility and the individual were responsible for the  
18.26 maltreatment using the mitigating factors in paragraph (i). Determinations under this  
18.27 subdivision must be made based on a preponderance of the evidence and are private data  
18.28 on individuals or nonpublic data as maintained by the commissioner of education.

18.29 (f) For the purposes of this subdivision, "maltreatment" means any of the following  
18.30 acts or omissions:

- 18.31 (1) physical abuse as defined in subdivision 2, paragraph (g);
- 18.32 (2) neglect as defined in subdivision 2, paragraph (f);
- 18.33 (3) sexual abuse as defined in subdivision 2, paragraph (d);
- 18.34 (4) mental injury as defined in subdivision 2, paragraph (m); or
- 18.35 (5) maltreatment of a child in a facility as defined in subdivision 2, paragraph (i).

19.1 (g) For the purposes of this subdivision, a determination that child protective  
19.2 services are needed means that the local welfare agency has documented conditions  
19.3 during the assessment or investigation sufficient to cause a child protection worker, as  
19.4 defined in section 626.559, subdivision 1, to conclude that a child is at significant risk of  
19.5 maltreatment if protective intervention is not provided and that the individuals responsible  
19.6 for the child's care have not taken or are not likely to take actions to protect the child  
19.7 from maltreatment or risk of maltreatment.

19.8 (h) This subdivision does not mean that maltreatment has occurred solely because  
19.9 the child's parent, guardian, or other person responsible for the child's care in good faith  
19.10 selects and depends upon spiritual means or prayer for treatment or care of disease  
19.11 or remedial care of the child, in lieu of medical care. However, if lack of medical care  
19.12 may result in serious danger to the child's health, the local welfare agency may ensure  
19.13 that necessary medical services are provided to the child.

19.14 (i) When determining whether the facility or individual is the responsible party, or
