12 shooting and lawful hunting activity, provided the ammunition is used and consumed
13 during a shooting or hunting event conducted by the corporation;**

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

14 **(5) A target shooting facility that holds a business or regulatory license, provided**
15 **the ammunition is kept within the facility's premises at all times and used on the premises;**
16 **or**

17 **(6) A person who sells no more than one hundred rounds of ammunition to one**
18 **vendor in one month and who cumulatively sells no more than two hundred fifty rounds**
19 **per year to vendors in this state.**

20 **3. The secretary of state may establish eligibility criteria for licensed ammunition**
21 **sellers. At a minimum, a licensed ammunition seller shall not be prohibited by state or**
22 **federal law or by a court order from possessing, receiving, owning, or purchasing a**
23 **firearm.**

24 **4. Beginning July 1, 2021, the secretary shall accept applications for licensed**
25 **ammunition sellers. The secretary may charge a fee sufficient to cover reasonable costs of**

27 **sixty days of receiving the application. If an application is denied, the secretary shall**
28 **inform the applicant of the reason for denial in writing.**

29 **5. A license for a licensed ammunition seller shall be issued in a form prescribed**
30 **by the attorney general. Licenses shall be valid for one year and shall authorize the**
31 **licensed ammunition seller to sell ammunition:**

37 **is created under the authority delegated in this section shall become effective only if it**
38 **complies with and is subject to all of the provisions of chapter 536 and, if applicable,**
39 **section 536.028. This section and chapter 536 are nonseverable, and if any of the powers**
40 **vested with the general assembly pursuant to chapter 536 to review, to delay the effective**
41 **date, or to disapprove and annul a rule are subsequently held unconstitutional, then the**
42 **grant of rulemaking authority and any rule proposed or adopted after the effective date**
43 **of this section, shall be invalid and void.**

44 **7. Any person who sells firearm ammunition in violation of this section shall be**
45 **guilty of a class D misdemeanor. Each individual sale shall be deemed a separate violation.**

407.1171. 1. No licensed ammunition seller shall employ in a position that handles,

5 **2. No person or entity shall supply, deliver, sell, or give possession or control of any**
6 **firearm ammunition to:**

7 **(1) A person whom the person or entity knows or has cause to believe is not the**
8 **actual purchaser of the ammunition; or**

9 **(2) A person whom the person or entity knows or has cause to believe will**
10 **subsequently sell or transfer the ammunition to a person prohibited by a court order from**
11 **owning, possessing, or having custody or control of any firearm ammunition.**

12 **3. The sale, delivery, or transfer of firearm ammunition shall only occur in a face-**
13 **to-face transaction with the seller, deliverer, or transferor being provided bona fide**
14 **evidence of the identity of the purchaser or transferee. However, ammunition may be**
15 **purchased over the internet or through other means of remote ordering if the ammunition**
16 **is first delivered to a licensed ammunition seller in this state who verifies the purchaser or**

36 more than fifty rounds;

37 (9) An executor or administrator of an estate that includes ammunition;
