 28 Healthier Montana Act".

29

30 NEW SECTION. Section 2. Legislative findings and intent. (1) The intent of [sections 1 through 8]

1 is to modify and enhance Montana's health care delivery system to provide access to quality and affordable health
2 care and health insurance for all Montanans.

3 (2) The legislature finds that in order to achieve the purposes of [sections 1 through 8], collaboration
4 between state government and parties interested in quality and affordable health care is necessary in order to:

5 (a) increase the number of Montanans with private health insurance coverage;

6 (b) make the delivery of health care services more efficient and cost-effective by offering incentives to
7 reach better performance outcomes, improve coordination of care, reduce preventable hospital readmissions,
8 and implement reimbursement methodologies that promote quality of care and cost savings;

9 (c) contain health care costs by curbing wasteful spending, avoiding unnecessary use of health care
10 services, and reducing fraud;

11 (d) ensure an adequate supply of health care professionals throughout the state;

12 (e) provide incentives that result in Montanans taking greater responsibility for their personal health; and

13 (f) reduce or minimize the shifting of payment for unreimbursed health care costs to patients with private
14 insurance.

28 outcomes within the context of a broader coordinated care team.

29 (b) The services must be provided in accordance with standards of professional practice for the
30 individuals authorized to provide the services.

1 (4) The department shall plan for and, to the extent allowed by law, implement comprehensive

19 (o) property owned by a nonprofit corporation that is organized to provide facilities primarily for training
20 and practice for or competition in international sports and athletic events and that is not held or used for private
21 or corporate gain or profit. For purposes of this subsection (1)(o), "nonprofit corporation" means an organization
22 that is exempt from taxation under section 501(c) of the Internal Revenue Code and incorporated and admitted
23 under the Montana Nonprofit Corporation Act.

24 (2) (a) (i) For the purposes of tribal property under subsection (1)(a)(viii), the property subject to
25 exemption may not be:

26 (A) operated for gain or profit;

27 (B) held under contract to operate, lease, or sell by a taxable individual;

1 be:

2 (A) set aside by tribal resolution and designated as park land, not to exceed 15 acres, or be designated
3 as a recreational facility; and

4 (B) open to the general public.

5 (b) For the purposes of subsection (1)(b), the term "clergy" means, as recognized under the federal
6 Internal Revenue Code:

7 (i) an ordained minister, priest, or rabbi;

8 (ii) a commissioned or licensed minister of a church or church denomination that ordains ministers if the
9 person has the authority to perform substantially all the religious duties of the church or denomination;

10 (iii) a member of a religious order who has taken a vow of poverty; or

11 (iv) a Christian Science practitioner.

12 (c) For the purposes of subsection (1)(i):

13 (i) the term "institutions of purely public charity" includes any organization that meets the following
14 requirements:

15 (A) The organization offers its charitable goods or services to persons without regard to race, religion,
16 creed, or gender and qualifies as a tax-exempt organization under the provisions of section 501(c)(3), Internal
17 Revenue Code, as amended.

18 (B) The organization accomplishes its activities through absolute gratuity or grants. However, the
19 organization may solicit or raise funds by the sale of merchandise, memberships, or tickets to public
20 performances or entertainment or by other similar types of fundraising activities.

21 (ii) agricultural property owned by a purely public charity is not exempt if the agricultural property is used
22 by the charity to produce unrelated business taxable income as that term is defined in section 512 of the Internal
23 Revenue Code, 26 U.S.C. 512. A public charity claiming an exemption for agricultural property shall file annually
24 with the department a copy of its federal tax return reporting any unrelated business taxable income received by
25 the charity during the tax year, together with a statement indicating whether the exempt property was used to
26 generate any unrelated business taxable income.

27 (iii) up to 15 acres of property owned by a purely public charity is exempt at the time of its purchase even
28 if the property must be improved before it can directly be used for its intended charitable purpose. If the property
29 is not directly used for the charitable purpose within 8 years of receiving an exemption under this section or if the
30 property is sold or transferred before it entered direct charitable use, the exemption is revoked and the property

1 is taxable. In addition to taxes due for the first year that the property becomes taxable, the owner of the property
 2 shall pay an amount equal to the amount of the tax due that year times the number of years that the property was
 3 tax-exempt under this section. The amount due is a lien upon the property and when collected must be distributed
 4 by the treasurer to funds and accounts in the same ratio as property tax collected on the property is distributed.
 5 At the time the exemption is granted, the department shall file a notice with the clerk and recorder in the county
 6 in which the property is located. The notice must indicate that an exemption pursuant to this section has been
 7 granted. The notice must describe the penalty for default under this section and must specify that a default under
 8 this section will create a lien on the property by operation of law. The notice must be on a form prescribed by the
 9 department.

10 (iv) not more than 160 acres may be exempted by a purely public charity under any exemption originally
 11 applied for after December 31, 2004. An application for exemption under this section must contain a legal
 12 description of the property for which the exemption is requested.

13 (d) For the purposes of subsection (1)(k), the term "public museums, art galleries, zoos, and
 14 observatories" means governmental entities or nonprofit organizations whose principal purpose is to hold property
 15 for public display or for use as a museum, art gallery, zoo, or observatory. The exempt property includes all real
 16 and personal property owned by the public museum, art gallery, zoo, or observatory that is reasonably necessary
 17 for use in connection with the public display or observatory use. Unless the property is leased for a profit to a
 18 governmental entity or nonprofit organization by an individual or for-profit organization, real and personal property
 19 owned by other persons is exempt if it is:

20 (i) actually used by the governmental entity or nonprofit organization as a part of its public display;

21 (ii) held for future display; or

22 (iii) used to house or store a public display.

23 (3) If a nonprofit health care facility subject to the charity care requirements of [section 8] fails to meet
 24 the requirements of that section, the property owned by the facility is not exempt from taxation for the tax year
 25 in which the facility failed to meet the requirements of [section 8]."

26

27 **Section 16.** Section 15-30-2110, MCA, is amended to read:

28 **"15-30-2110. Adjusted gross income.** (1) Subject to subsection (13), adjusted gross income is the
 29 taxpayer's federal adjusted gross income as defined in section 62 of the Internal Revenue Code, 26 U.S.C. 62,
 30 and in addition includes the following:

3 under federal law;

4 (ii) exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue Code, 26 U.S.C.
5 852(b)(5), that are attributable to the interest referred to in subsection (1)(a)(i);

6 (b) refunds received of federal income tax, to the extent that the deduction of the tax resulted in a
7 reduction of Montana income tax liability;

8 (c) that portion of a shareholder's income under subchapter S. of Chapter 1 of the Internal Revenue
9 Code that has been reduced by any federal taxes paid by the subchapter S. corporation on the income;

22 county, municipality, district, or other political subdivision of the state and any other interest income that is exempt

1 (A) each taxpayer filing singly, head of household, or married filing separately shall reduce the total
2 amount of the exclusion provided in subsection (2)(c)(i) by \$2 for every \$1 of federal adjusted gross income in
3 excess of \$30,000 as shown on the taxpayer's return;

4 (B) in the case of married taxpayers filing jointly, if both taxpayers are receiving pension or annuity
5 income or if only one taxpayer is receiving pension or annuity income, the exclusion claimed as provided in
6 subsection (2)(c)(i) must be reduced by \$2 for every \$1 of federal adjusted gross income in excess of \$30,000
7 as shown on their joint return;

8 (d) all Montana income tax refunds or tax refund credits;

9 (e) gain required to be recognized by a liquidating corporation under 15-31-113(1)(a)(ii);

10 (f) all tips or gratuities that are covered by section 3402(k) or service charges that are covered by section

18 manufacturer or distributor of "agent orange" for damages resulting from exposure to "agent orange";

19 (j) principal and income in a medical care savings account established in accordance with 15-61-201
20 or withdrawn from an account for eligible medical expenses, as defined in 15-61-102, of the taxpayer or a
21 dependent of the taxpayer or for the long-term care of the taxpayer or a dependent of the taxpayer;

22 (k) principal and income in a first-time home buyer savings account established in accordance with
23 15-63-201 or withdrawn from an account for eligible costs, as provided in 15-63-202(7), for the first-time purchase
24 of a single-family residence;

25 (l) contributions withdrawn from a family education savings account or earnings withdrawn from a family
26 education savings account for qualified higher education expenses, as defined in 15-62-103, of a designated
27 beneficiary;

28 (m) the recovery during the tax year of any amount deducted in any prior tax year to the extent that the
29 recovered amount did not reduce the taxpayer's Montana income tax in the year deducted;

30 (n) if the federal taxable distribution of an estate or trust is greater than the state taxable distribution of

1 the same estate or trust, the difference between the federal taxable distribution and the state taxable distribution
2 of the same estate or trust for the same tax period;

5 is not provided for federal income tax purposes;

6 (p) income of a dependent child that is included in the taxpayer's federal adjusted gross income pursuant

12 ~~(s)(r)~~ the amount of the gain recognized from the sale or exchange of a mobile home park as provided
13 in 15-31-163.

14 (3) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall
15 include in the shareholder's adjusted gross income the earnings and profits of the DISC in the same manner as
16 provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election
17 is effective.

18 (4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer's business
19 deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and
20 51(a) of the Internal Revenue Code, 26 U.S.C. 38 and 51(a), is allowed to deduct the amount of the wages and
21 salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and salaries
22 were used to compute the credit. In the case of a partnership or small business corporation, the deduction must
23 be made to determine the amount of income or loss of the partnership or small business corporation.

24 (5) Married taxpayers filing a joint federal return who are required to include part of their social security
25 benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal
26 base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement
27 benefits when they file separate Montana income tax returns. The federal base must be split equally on the
28 Montana return.

29 (6) Married taxpayers filing a joint federal return who are allowed a capital loss deduction under section
30 1211 of the Internal Revenue Code, 26 U.S.C. 1211, and who file separate Montana income tax returns may

1 claim the same amount of the capital loss deduction that is allowed on the federal return. If the allowable capital
2 loss is clearly attributable to one spouse, the loss must be shown on that spouse's return; otherwise, the loss
3 must be split equally on each return.

4 (7) In the case of passive and rental income losses, married taxpayers filing a joint federal return and
5 who file separate Montana income tax returns are not required to recompute allowable passive losses according
6 to the federal passive activity rules for married taxpayers filing separately under section 469 of the Internal
7 Revenue Code, 26 U.S.C. 469. If the allowable passive loss is clearly attributable to one spouse, the loss must
8 be shown on that spouse's return; otherwise, the loss must be split equally on each return.

9 (8) Married taxpayers filing a joint federal return in which one or both of the taxpayers are allowed a
10 deduction for an individual retirement contribution under section 219 of the Internal Revenue Code, 26 U.S.C.
11 219, and who file separate Montana income tax returns may claim the same amount of the deduction that is
12 allowed on the federal return. The deduction must be attributed to the spouse who made the contribution.

13 (9) (a) Married taxpayers filing a joint federal return who are allowed a deduction for interest paid for a
14 qualified education loan under section 221 of the Internal Revenue Code, 26 U.S.C. 221, and who file separate
15 Montana income tax returns may claim the same amount of the deduction that is allowed on the federal return.
16 The deduction may be split equally on each return or in proportion to each taxpayer's share of federal adjusted
17 gross income.

18 (b) Married taxpayers filing a joint federal return who are allowed a deduction for qualified tuition and
19 related expenses under section 222 of the Internal Revenue Code, 26 U.S.C. 222, and who file separate Montana
20 income tax returns may claim the same amount of the deduction that is allowed on the federal return. The
21 deduction may be split equally on each return or in proportion to each taxpayer's share of federal adjusted gross
22 income.

23 (10) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end
24 of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income
25 up to \$100 a week received as wages or payments in lieu of wages for a period during which the employee is
26 absent from work due to the disability. If the adjusted gross income before this exclusion exceeds \$15,000, the
27 excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the
28 taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the
29 limitation for income exceeding \$15,000 is determined with respect to the spouses on their combined adjusted
30 gross income. For the purpose of this subsection, "permanently and totally disabled" means unable to engage

1 in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting
2 or expected to last at least 12 months.

3 (11) An individual who contributes to one or more accounts established under the Montana family
4 education savings program may reduce adjusted gross income by the lesser of \$3,000 or the amount of the
5 contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of \$3,000, for
6 the spouses' contributions to the accounts. Spouses may jointly elect to treat half of the total contributions made
7 by the spouses as being made by each spouse. The reduction in adjusted gross income under this subsection
8 applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is
9 the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a
10 Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions
11 that reduced adjusted gross income.

12 (12) (a) A taxpayer may exclude the amount of the loan payment received pursuant to subsection
13 (12)(a)(iv), not to exceed \$5,000, from the taxpayer's adjusted gross income if the taxpayer:

14 (i) is a health care professional licensed in Montana as provided in Title 37;

15 (ii) is serving a significant portion of a designated geographic area, special population, or facility
16 population in a federally designated health professional shortage area, a medically underserved area or
17 population, or a federal nursing shortage county as determined by the secretary of health and human services
18 or by the governor;

19 (iii) has had a student loan incurred as a result of health-related education; and

20 (iv) has received a loan payment during the tax year made on the taxpayer's behalf by a loan repayment
21 program described in subsection (12)(b) as an incentive to practice in Montana.

22 (b) For the purposes of subsection (12)(a), a loan repayment program includes a federal, state, or
23 qualified private program. A qualified private loan repayment program includes a licensed health care facility, as
24 defined in 50-5-101, that makes student loan payments on behalf of the person who is employed by the facility
25 as a licensed health care professional.

26 (13) Notwithstanding the provisions of subsection (1), adjusted gross income does not include 40% of
27 capital gains on the sale or exchange of capital assets before December 31, 1986, as capital gains are
28 determined under subchapter P. of Chapter 1 of the Internal Revenue Code as it read on December 31, 1986.

29 (14) By November 1 of each year, the department shall multiply the amount of pension and annuity
30 income contained in subsection (2)(c)(i) and the federal adjusted gross income amounts in subsection (2)(c)(ii)

1 by the inflation factor for that tax year, but using the year 2009 consumer price index, and rounding the results
2 to the nearest \$10. The resulting amounts are effective for that tax year and must be used as the basis for the
3 exemption determined under subsection (2)(c). (Subsection (2)(f) terminates on occurrence of contingency--sec.
4 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency--sec. 9, Ch. 262, L. 2001.)"
5

6 **Section 17.** Section 15-30-2618, MCA, is amended to read:

7 **"15-30-2618. Confidentiality of tax records.** (1) Except as provided in 5-12-303, 15-1-106, 17-7-111,
8 and subsections (7) and (8) of this section, in accordance with a proper judicial order, or as otherwise provided
9 by law, it is unlawful to divulge or make known in any manner:

10 (a) the amount of income or any particulars set forth or disclosed in any individual report or individual
11 return required under this chapter or any other information secured in the administration of this chapter; or

12 (b) any federal return or federal return information disclosed on any return or report required by rule of
13 the department or under this chapter.

14 (2) (a) The officers charged with the custody of the reports and returns may not be required to produce
