**Legislative Counsel’s Digest:**

1 Existing law in NRS 442.250 regulates the medical conditions under which  
2 abortions may be performed in this State. Because NRS 442.250 was submitted to  
3 and approved by a referendum of the voters at the 1990 general election, Section 1  
4 of Article 19 of the Nevada Constitution dictates that the provisions of NRS  
5 442.250 may not be amended, annulled, repealed, set aside, suspended or in any  
6 way made inoperative except by the direct vote of the people. In addition to the

7 provisions of NRS 442.250, Nevada's abortion laws contain certain parental  
8 notification requirements that apply only to abortions performed upon pregnant  
9 minors. (NRS 442.255, 442.2555, 442.268) Because the parental notification  
10 requirements were not part of the referendum in 1990, they may be amended or  
11 repealed by the Legislature without being approved by the direct vote of the people.

12 This bill repeals the existing parental notification requirements for pregnant  
13 minors and enacts new notification requirements that apply to pregnant minors and  
14 to pregnant wards, regardless of their age, for whom a legal guardian or conservator  
15 has been appointed. This bill conforms with Section 1 of Article 19 of the Nevada  
16 Constitution because this bill does not amend, annul, repeal, set aside, suspend or in  
17 any way make inoperative the provisions of NRS 442.250. Instead, this bill serves a  
18 different governmental purpose than the provisions of NRS 442.250 and enacts new  
19 laws that are separate and complete by themselves and are not amendatory of the  
20 provisions of NRS 442.250. (*Matthews v. State ex rel. Nev. Tax Comm'n*, 83 Nev.  
21 266, 267-69 (1967))

22 In 1985, the Legislature enacted the existing parental notification requirements  
23 for pregnant minors which prohibit a physician, with certain exceptions, from  
24 knowingly performing an abortion upon a pregnant minor unless: (1) a custodial  
25 parent or guardian of the minor is notified in the statutorily-prescribed manner  
26 before the abortion; or (2) upon the request of the minor, the district court  
27 authorizes the abortion without parental notification when the minor meets certain  
28 criteria. (Chapter 681, Statutes of Nevada 1985, pp. 2306-09 (codified in NRS  
29 442.255, 442.2555, 442.268)) Before the requirements became effective in 1985,  
30 Nevada's federal district court enjoined their implementation on grounds that they  
31 unconstitutionally burden a woman's fundamental right to make the highly personal  
32 choice of whether to have an abortion, thereby violating the woman's interests in  
33 personal liberty protected by the Due Process Clause of the Fourteenth Amendment  
34 to the United States Constitution. (*Glick v. McKay*, 616 F. Supp. 322, 323-28 (D.  
35 Nev. 1985))

36 In 1991, the United States Court of Appeals for the Ninth Circuit affirmed the  
37 federal district court's decision in *Glick v. McKay*, 937 F.2d 434, 437-42 (9th Cir.  
38 1991). The Ninth Circuit relied upon two reasons for invalidating Nevada's existing  
39 parental notification requirements: (1) the requirements impermissibly narrowed  
40 the criteria under which the district court could give judicial authorization for an  
41 abortion without parental notification when the abortion would be in the minor's  
42 best interests; and (2) the requirements did not place any time limit on the period  
43 within which the district court must rule upon a request for judicial authorization  
44 and therefore they did not facially ensure that the minor's interests would be  
45 protected by expedited judicial review. (*Glick v. McKay*, 937 F.2d 434, 437-42 (9th  
46 Cir. 1991))

47 In 1997, when the United States Supreme Court reversed a different Ninth  
48 Circuit decision that struck down Montana's parental notification requirements, the  
49 United States Supreme Court disapproved the first reason relied upon by the Ninth  
50 Circuit in the *Glick* decision to strike down Nevada's parental notification  
51 requirements. (*Lambert v. Wicklund*, 520 U.S. 292, 294-99 (1997)) However, the  
52 United States Supreme Court did not address the second reason relied upon by the  
53 Ninth Circuit in the *Glick* decision to strike down Nevada's parental notification  
54 requirements. As a result, based upon the second reason, the Ninth Circuit's *Glick*  
55 decision is still in effect in Nevada, which means that Nevada's existing parental  
56 notification requirements remain unconstitutional because they do not place any  
57 time limit on the period within which the district court must rule upon a request for  
58 judicial authorization and therefore they do not facially ensure that the minor's  
59 interests will be protected by expedited judicial review. (*Glick v. McKay*, 937 F.2d  
60 434, 440-42 (9th Cir. 1991); *Planned Parenthood of S. Ariz. v. Lawall (Lawall I)*,  
61 180 F.3d 1022, 1029 n.9 (9th Cir. 1999) ("Nothing in *Wicklund*, however, affects

62 *Glick's* holding regarding [the failure of Nevada's law to facially comply with]  
63 *Bellotti II's* expediency requirement."'), *amended on denial of reh'g*, 193 F.3d 1042,  
64 1043 (9th Cir. 1999))

65 **Section 27** of this bill repeals Nevada's existing parental notification  
66 requirements, and **sections 10-18** of this bill enact new notification requirements  
67 that apply to pregnant minors and wards. The new notification requirements that  
68 modeled, in part, on portions of Minnesota's parental notification requirements that  
69 were upheld by the United States Supreme Court in *Hodgson v. Minnesota*, 497  
70 U.S. 417, 422-23 (1990) (plurality opinion) (upholding portions of Minn. Stat. §  
71 144.343). However, the new notification requirements also take into account  
72 additional constitutional considerations addressed in other decisions of the United  
73 States Supreme Court and the Ninth Circuit regarding parental notification or  
74 consent statutes. (*Ayotte v. Planned Parenthood of N. New Eng.*, 546 U.S. 320, 323-  
75 28 (2006); *Lambert v. Wicklund*, 520 U.S. 292, 294-99 (1997); *Planned*  
76 *Parenthood of Se. Pa. v. Casey*, 505 U.S. 833, 899-901 (1992); *Ohio v. Akron Ctr.*  
77 *for Reproductive Health (Akron II)*, 497 U.S. 502, 510-19 (1990) (plurality  
78 opinion); *Bellotti v. Baird (Bellotti II)*, 443 U.S. 622, 646-51 (1979) (plurality  
79 opinion); *Planned Parenthood of Idaho v. Wasden*, 376 F.3d 908, 924-35 (9th Cir.  
80 2004); *Planned Parenthood of S. Ariz. v. Lawall (Lawall II)*, 307 F.3d 783, 786-89  
81 (9th Cir. 2002); *Planned Parenthood of S. Ariz. v. Lawall (Lawall I)*, 180 F.3d  
82 1022, 1027-33 (9th Cir. 1999), *amended on denial of reh'g*, 193 F.3d 1042, 1043  
83 (9th Cir. 1999))

84 To carry out the new notification requirements, **section 6** of this bill defines the  
85 term "minor" to mean a person who is less than 18 years of age, unmarried and  
86 unemancipated. To be considered emancipated and not a minor, the person must  
87 offer reasonable proof of a court order declaring the person to be emancipated  
88 under Nevada law or the law of any other state, territory or possession of the United  
89 States or the District of Columbia. **Section 9** of this bill defines the term "ward" to  
90 mean a person for whom a legal guardian or conservator has been appointed  
91 because of a court finding of mental or intellectual incompetency, incapacity or  
92 insanity.

93 **Section 10** of this bill states that the new notification requirements are intended  
94 to assist minors and wards in making a knowing, intelligent and deliberate decision  
95 to give informed consent concerning a proposed abortion by requiring, with certain  
96 exceptions, notification of a parent or guardian of the minor or ward, followed by a  
97 waiting period of 48 hours, before a physician may perform an abortion upon the  
98 minor or ward. **Sections 10-18** do not require a parent or guardian to consent to the  
99 abortion before it is performed and do not prohibit a physician from performing  
100 the abortion after notification has been provided and the waiting period has expired.

101 **Section 12** prohibits, with certain exceptions, a physician from knowingly  
102 performing an abortion on a minor or ward unless: (1) written notice of the  
103 proposed abortion is delivered to at least one parent or guardian in the statutorily-  
104 required manner; and (2) a period of not less than 48 hours has elapsed after the  
105 time of delivery of the written notice. However, **section 12** also provides that no  
106 parent or guardian must be notified if: (1) the physician certifies in writing in the  
107 medical record of the minor or ward that a medical emergency exists which  
108 necessitates an immediate abortion; (2) a parent or guardian of the minor or ward  
109 certifies in writing that he or she has been notified regarding the abortion; or (3)  
110 upon a petition filed by the minor or ward, the district court or the appellate court  
111 gives judicial authorization for a physician to perform the abortion without  
112 notification of a parent or guardian.

113 **Sections 13-17** establish rules, standards and procedures for filing petitions  
114 seeking judicial authorization and for conducting expedited proceedings in the  
115 district court and the appellate court, with express mandates setting forth specific  
116 time limits within which the district court and the appellate court must rule upon

117 petitions and any appeals therefrom. **Sections 14 and 15:** (1) protect the identity  
118 and anonymity of the minor or ward and require confidentiality at all stages of the  
119 proceedings; (2) provide the minor or ward with the right to request a court  
120 appointed attorney for legal representation that is a charge against the county; and  
121 (3) permit the appointment of a guardian ad litem or court appointed special  
122 advocate when necessary to protect the best interests of the minor or ward.

123 **Section 16** requires the district court to grant judicial authorization if it finds  
124 that: (1) the pregnant woman is sufficiently mature and well-informed and,  
125 if a ward, competent, to be capable, in consultation with a physician, of making a  
126 knowing, intelligent and deliberate decision to give informed consent concerning a  
127 proposed abortion without notification of a parent or guardian; or (2) regardless of  
128 whether the pregnant woman is sufficiently mature and well-informed and, if a  
129 ward, competent, it otherwise is or would be in the best interests of the pregnant  
130 woman to authorize a physician to perform the proposed abortion without  
131 notification of a parent or guardian.

132 **Section 18** provides that a person who knowingly performs an abortion upon a  
133 minor or ward in violation of the new notification requirements is guilty of a  
134 misdemeanor and is subject to a civil action brought by any parent or guardian  
135 improperly denied notification. However, **section 18** also provides immunity from  
136 criminal prosecution and civil liability under certain circumstances.

137 Finally, existing law requires the Division of Public and Behavioral Health of  
138 the Department of Health and Human Services to adopt a system for reporting  
139 certain information concerning abortions to the Division. (NRS 442.260) **Section**  
140 **19** of this bill requires a physician to submit an annual report to the Division that  
141 contains statistical data relating to the notification requirements and the number of  
142 abortions performed by the physician. **Section 19** also requires the Division to  
143 impose administrative penalties against a physician whose report is overdue and  
144 authorizes the Division to commence a civil action if any report is more than 1 year  
145 overdue.

146 **Section 20** of this bill requires the Administrative Office of the Courts to  
147 compile and submit annually to the Division certain statistical data relating to cases  
148 in which a minor or ward seeks judicial authorization for an abortion without  
149 notification of a parent or guardian. **Section 21** of this bill requires the Division to  
150 compile the data it receives from the physicians and the Administrative Office of  
151 the Courts in order to issue an annual report, to be made available to the public,  
152 containing statistical data about the effect of the notification requirements on the  
153 rate of abortions in this State. If the Division fails to issue the annual report, **section**  
154 **22** of this bill authorizes a civil action against the Administrator of the Division  
155 seeking to compel the issuance of the report with penalties for contempt.

25 *pregnant woman does not have the ability to pay that fee.*

26 *(b) The rules of civil procedure do not apply to the petition or*  
27 *the proceedings regarding the petition. The Supreme Court shall*  
28 *adopt and issue all necessary rules and orders, which must not be*  
29 *inconsistent with the provisions of sections 10 to 18, inclusive, of*  
30 *this act, to implement and facilitate expedited and confidential*  
31 *judicial review and resolution of the petition at all stages of the*  
32 *proceedings, including, without limitation, any appeal.*

33 *(c) In preparing the petition, the pregnant woman shall initial*  
34 *the petition but shall not sign the petition. The caption and body of*  
35 *the petition must contain only the initials of the pregnant woman*  
36 *to identify the petitioner.*

37 *(d) The petition must set forth:*

38 *(1) The age of the pregnant woman and whether she is a*  
39 *minor or a ward;*

40 *(2) The estimated number of weeks elapsed from the*  
41 *probable time of conception;*

42 *(3) The reasons the pregnant woman does not want any*  
43 *parent or guardian of the pregnant woman to be notified pursuant*  
44 *to section 12 of this act; and*

1           (4) *Any supporting facts or circumstances that may be*  
2 *relevant and helpful to the district court in determining whether to*  
3 *authorize the proposed abortion without notification of a parent or*  
4 *guardian pursuant to section 12 of this act.*

5       **Sec. 14.** *Notwithstanding any other statute, regulation or*  
6 *rule to the contrary:*

**442.255 Notice to custodial parent or guardian; request for authorization for abortion; rules of civil procedure inapplicable.**

1. Unless in the judgment of the attending physician an abortion is immediately necessary to preserve the patient's life or health or an abortion is authorized pursuant to subsection 2 or NRS 442.2555, a physician shall not knowingly perform or induce an abortion upon an unmarried and unemancipated woman who is under the age of 18 years unless a custodial parent or guardian of the woman is personally notified before the abortion. If the custodial parent or guardian cannot be so notified after a reasonable effort, the physician shall delay performing the abortion until the physician has notified the parent or guardian by certified mail at the last known address of the parent or guardian.

2. An unmarried or unemancipated woman who is under the age of 18 years may request a district court to issue an order authorizing an abortion. If so requested, the court shall interview the woman at the earliest practicable time, which must be not more than 2 judicial days after the request is made. If the court determines, from any information provided by the woman and any other evidence that the court may require, that:

(a) She is mature enough to make an intelligent and informed decision concerning the abortion;

(b) She is financially independent or is emancipated; or

(c) The notice required by subsection 1 would be detrimental to her best interests,

↳ the court shall issue an order within 1 judicial day after the interview authorizing a physician to perform the abortion in accordance with the provisions of NRS 442.240 to 442.270, inclusive.

3. If the court does not find sufficient grounds to authorize a physician to perform the abortion, it shall enter an order to that effect within 1 judicial day after the interview. If the court does not enter an order either authorizing or denying the performance of the abortion within 1 judicial day after the interview, authorization shall be deemed to have been granted.

4. The court shall take the necessary steps to ensure that the interview and any other proceedings held pursuant to this subsection or NRS 442.2555 are confidential. The rules of civil procedure do not apply to any action taken pursuant to this subsection.

**442.2555 Procedure if district court denies request for authorization for abortion: Petition; hearing on merits; appeal.**

1. If the order is denied pursuant to NRS 442.255, the court shall, upon request by the minor if it appears that she is unable to employ counsel, appoint an attorney to represent her in the preparation of a petition, a hearing on the merits of the petition, and on an appeal, if necessary. The compensation and expenses of the attorney are a charge against the county as provided in the following schedule:

(a) For consultation, research and other time reasonably spent on the matter, except court appearances, \$20 per hour.

(b) For court appearances, \$30 per hour.

2. The petition must set forth the initials of the minor, the age of the minor, the estimated number of weeks elapsed from the probable time of conception, and whether maturity, emancipation, notification detrimental to the minor's best interests or a combination thereof are relied upon in avoidance of the notification required by NRS 442.255. The petition must be initialed by the minor.

3. A hearing on the merits of the petition, on the record, must be held as soon as possible and within 5 judicial days after the filing of the petition. At the hearing the court shall hear evidence relating to:

(a) The minor's emotional development, maturity, intellect and understanding;

(b) The minor's degree of financial independence and degree of emancipation from parental authority;

(c) The minor's best interests relative to parental involvement in the decision whether to undergo an abortion; and

(d) Any other evidence that the court may find useful in determining whether the minor is entitled to avoid parental notification.

4. In the decree, the court shall, for good cause:

(a) Grant the petition, and give judicial authorization to permit a physician to perform an abortion without the notification required in NRS 442.255; or

(b) Deny the petition, setting forth the grounds on which the petition is denied.

5. An appeal from an order issued under subsection 4 may be taken to the appellate court of competent jurisdiction pursuant to the rules fixed by the Supreme Court pursuant to Section 4 of Article 6 of the Nevada Constitution, which shall suspend the Nevada Rules of Appellate Procedure pursuant to NRAP 2 to provide for an expedited appeal. The notice of intent to appeal must be given within 1 judicial day after the issuance of the order. The record on

appeal must be perfected within 5 judicial days after the filing of the notice of appeal and transmitted to the appellate court of competent jurisdiction pursuant to the rules fixed by the Supreme Court. The appellate court of competent jurisdiction, shall, by court order or rule, provide for a confidential and expedited appellate review of cases appealed under this section.

**442.268 Civil immunity of person performing judicially authorized abortion in accordance with provisions of NRS 442.240 to 442.270, inclusive.** If an abortion is judicially authorized and the provisions of NRS 442.240 to 442.270, inclusive, are complied with, an action by the parents or guardian of the minor against persons performing the abortion is barred. This civil immunity extends to the performance of the abortion and any necessary accompanying services which are performed in a competent manner. The costs of the action, if brought, must be borne by the parties respectively.
