AN ACT relating to criminal records; revising provisions governing the dissemination of certain records of criminal history to employers and prospective employers by an agency of criminal justice or the Central Repository for Nevada Records of Criminal History; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Under existing state law, an agency of criminal justice or the Central
2 Repository for Nevada Records of Criminal History is required to disseminate to a
3 current or prospective employer, upon request, certain information about the
4 criminal history of a current or prospective employee or volunteer. (NRS
5 179A.100) Under existing federal law, a “consumer report” is defined to include
6 the communication of any information by a consumer reporting agency that bears
7 upon a person’s character, general reputation and personal characteristics. (15
8 U.S.C. § 1681a(d)) This bill creates a legal fiction by allowing a person or entity
9 designated to receive information about the criminal history of a current or
10 prospective employee or volunteer on behalf of an employer to obtain such
11 information by submitting to the Central Repository proof of the consent of an
12 employee or volunteer allowing the employer to obtain a consumer report pursuant
13 to 15 U.S.C. § 1681b(b)(2) in lieu of submitting a written consent of the employee
14 or volunteer to obtain the information from the Central Repository.

15 This bill also specifies that a record of criminal history or the absence of such a
16 record may be furnished to an employer by a person or entity designated to receive
17 the information on behalf of the employer and who obtained the information
18 pursuant to the statutory provisions governing the dissemination of such
19 information. This bill further authorizes an agency of criminal justice to audit any
20 employer or person or entity designated to receive records of criminal history on

21 behalf of an agency to whom the agency has disseminated certain records for
22 purposes of ensuring that such disseminated records are securely maintained.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
