**(a) A boarding kennel;**

(c) A facility impounding dogs on behalf of a city or county; or

(d) A veterinary facility.

[(4)] **(5)** "Menaces" means lunging, growling, snarling or other behavior by a dog that would cause a reasonable person to fear for the person's safety.

[(5)] **(6)** "Potentially dangerous dog" means a dog that:

**SECTION 2.** ORS 609.100 is amended to read:

609.100. (1) In a county or city having a dog control program under ORS 609.030, 609.035 to 609.110 and 609.405, every person keeping a dog that has a set of permanent canine teeth or is six months old, whichever comes first, shall procure a license for the dog. The license must be procured by paying a license fee to the county in which the person resides not later than March 1 of each year or within 30 days after the person becomes keeper of the dog. However, the county governing body may provide for dates other than March 1 for annual payment of fees. The fee for the license shall be determined by the county governing body in such amount as it finds necessary to carry out ORS 609.035 to 609.110. A license fee shall not be less than \$25 for each dog, except that the fee shall not be less than \$3 for each spayed female or neutered male dog for which a veterinarian's certificate of operation for the spaying or neutering of the dog is presented to the county. If the person fails to procure a license within the time provided by this section, the county governing body may prescribe a penalty in an additional sum to be set by the governing body.

(2) The county shall, at the time of issuing a license, supply the licensee, without charge, with a suitable identification tag, which shall be fastened by the licensee to a collar and kept on the dog at all times when not in the immediate possession of the licensee.

(3) The license fees in subsection (1) of this section do not apply to dogs that are [*kept primarily in kennels*] **considered inventory under ORS 307.400** and are not permitted to run at large. The county governing body may establish a separate license for dogs that [*are kept primarily in kennels when the dogs*] cease to be considered inventory under ORS 307.400, the fee for which shall not exceed \$5 per dog.

(4) A license fee is not required to be paid for any dog kept by a person who is blind and who uses the dog as a guide. A license shall be issued for such dog upon the filing by the person who is blind of an affidavit with the county showing that the dog qualifies for exemption.

(5) The county shall keep a record of dog licenses.

(6) Notwithstanding any other provision of this section or ORS 609.015, when the keeper of a dog obtains a license for the dog, that license is valid and is in lieu of a license for the dog required by any other city or county within this state, for the remainder of the license period:

(a) If the keeper of the dog changes residence to a city or county other than the city or county in which the license was issued; or

(b) If the keeper of the dog transfers the keeping of the dog to a person who resides in a city or county other than the city or county in which the license was issued.
